The Tokyo staff is proud to see the despite all that the disciples have endured for the past several years, there still burns a passion to save the Japanese.

God is blessing us as we share God's message of love and hope with those around us:

- Our recent Christmas service saw over 400 in attendance, with a separate children's service where many of our children bring their schoolmates along.
- The Sapporo church, with 6 disciples had almost 40 people at their Christmas service.
- The Nagoya church recently held a marrieds' service where there almost as many non-Christian couples as there were Christian couples.
- Currently the Tokyo Campus ministry has almost one-for-one Bible studies, and many singles are also beginning to study the Bible too.

We look forward to seeing many people restored and saved this year. Please keep us in your prayers.

Rich Hayashi, Tokyo Church of Christ —  
Asia / Pacific >> Japan

5 months ago, Tokyo celebrated our 2009 Japan Jubilee. At that event, evangelist John Louis called us to get out of our "boat", whether that boat be fear, selfishness or being choked out by life's difficulties. God used that as a turning point,

and from that time of corporate repentance made up of tears, prayers and deep fellowship, the disciples here in Tokyo are moving forward. In particular, we are striving to have each disciple have some appointment (Bible study or friendship time) each week in order to share God's love with some non-Christian friend. 5 months on, about 70% of our church is still going out and loving someone each week.
